DESCRIBED BY COLLEAGUES

[Ruchika Sood](#) · 1st

Senior Software engineer

August 7, 2025, Ruchika was NAMBI's mentor

I had the pleasure of working with Nambi Raja during their internship at Menucards, and I can confidently say he was one of the most sincere and reliable team members I've had the chance to work with.

He had a genuine commitment to getting the job done — and done well. Whether the task was large or small, he approached it with focus, attention to detail, and a positive attitude.

If you're looking for someone who is dependable, hardworking, sincere I highly recommend him. He is a learner and a valuable asset to any team he joins.

PROFESSIONAL EXPERIENCE

Web Developer Intern

Menucards | Feb 2025 - April 2025

- Developed a scalable React.js-based admin panel for efficient menu management and restaurant onboarding workflows..
- Integrated Redux Toolkit Query for optimized API interactions and state management.
- Collaborated on building a user-facing food ordering platform, enabling customers to browse menus and place orders effortlessly.

Web Developer Intern

Green Bowl | May 2024 - August 2024

- Contributed to build the UI of a food delivery website and implemented responsive UI components using Tailwind CSS
